

AMBASSADOR BAPTIST COLLEGE

STANDING UPON THE WORD OF GOD SINCE 1989
DR. ALTON BEAL, PRESIDENT DR. RON COMFORT, CHANCELLOR

Dear Pastor:

It is my pleasure to recommend the Bergey family to your local church. During their time at Ambassador Baptist College, the Lord laid a firm foundation in their lives for ministry. Since their departure, it is obvious that God has given them a special love for children and a heart to the help in the ministry. More and more, I am convinced that the team mentality they have for the ministry is missing and sorely needed today. I pray that God will bless them as they team with others to be a lighthouse of the Gospel in South Africa.

God has called the Bergeys to a unique and much needed ministry. I pray that God will lead you to share in their ministry.

Under His Wings,

Alton Beal
President
